

## **CONTRACTOR PARKING PLACARD**

**Chicago Municipal Code:** Section 9-64-170(a)(3) and (b)(3) of the Municipal Code of Chicago allows a contractor who is actually engaged in delivery, service or repair work at a particular address for a particular customer to park their vehicle within a reasonable distance of the address where such work is being performed if (1) the vehicle is emblazoned with the business name and business license number of its owner; and (2) the customer's address is clearly displayed on the vehicle's dashboard; and (3) the vehicle is lawfully parked in accordance with the general parking requirements of this Code. Parking is permitted only while such work is actually being performed and at no other time. If a service vehicle permit is required under Section 9-68-060, such permit must be obtained.
