New Chicago vehicle stickers available online
Tribune staff report

10:18 PM CDT, May 19, 2008

Chicago vehicle stickers for 2008-09 are now available online, three weeks earlier than in previous years, City Clerk Miguel del Valle said.

They can be purchased at www.ChiCityClerk.com.

Also, after a successful pilot program, residents living in residential zoned parking areas can renew their residential parking permits and buy guest parking passes online.

Residents who bought vehicle stickers online will receive an e-mail reminding them to buy online this year, the clerk's office said.

All vehicle stickers expire June 30.
