Don't Wait In Line Buy Your Vehicle Sticker Online Today!

*City Clerk del Valle Combines Renewal Applications
for Faster, Easier Transactions*

City Clerk del Valle announced today that 2008 -2009 vehicle stickers are now available online at www.ChiCityClerk.com. **Online sales** begin three weeks earlier this year to reduce lines and provide residents with faster and easier service. After a successful pilot program last year, residents living in residential zoned parking areas can also renew their residential parking permits and purchase guest parking passes online.

Residents who purchased their 2007 - 2008 vehicle stickers online will receive an email reminder to buy online this year. The link in the email will automatically bring up the information necessary to renew their vehicle stickers.

“Buying your vehicle sticker and renewing your residential parking permit online is the easiest, fastest and most convenient way to get your stickers,” said City Clerk del Valle.

In addition, residents who previously received separate vehicle sticker and residential parking permit applications in the mail will receive a combined renewal application this year. City Clerk del Valle consolidated the vehicle sticker and residential parking permit renewal forms, which significantly shortened the form, reduced postage costs and should limit the number of applications lost in the mail.

“Residents who live in residential zoned parking areas can purchase their parking permits and vehicle stickers with one mailing rather than sending in two separate mailings,” said City Clerk del Valle.

Residents purchasing their vehicle stickers and renewing their residential parking permits online will notice that City Clerk del Valle’s website has a new look. The website was redesigned to make it easier to navigate and find information. Additionally, residents can sign up to receive City Clerk del Valle’s e-newsletter, which provides updates and information on City Clerk services.
