Registering Your Dog with the City just got Easier
Chicago City Clerk's Office Offers New Online Dog Registration

Owners of the more than 100,000 dogs in Chicago now have the convenience of registering their dog online thanks to City Clerk Miguel del Valle's new modernization initiative.

"As a responsible and caring pet owner, it is important to register your dog with the City of Chicago. My goal is to provide increased access to city government and to make applying for a dog license more convenient," said City Clerk del Valle. "Registering your dog with the city takes only a few minutes and can prove to be invaluable. A dog license helps reunite you with you pet should you become separated."

There are many benefits of registering your dog with the Office of the City Clerk, including:

- Aids in the retrieval of lost dogs in cases where a dog strays from its owner or is separated from its owner during a citywide emergency;
- Provides that lost dogs with licensing information are held at Animal Care and Control or the Animal Welfare League while the owners are contacted to retrieve them;
- A dog license can be used to obtain the required permit and tag to access Chicago Park District dog friendly areas;
- Is required when taking your dog to an animal care facility that boards or provides dog day care services; and
- Adds to city funds that are directed to Animal Care and Control to hire inspectors and to promote spay/neuter programs.

The new dog license can be purchased online for \$5 for neutered dogs and \$50 for un-neutered dogs. Discounts are available for seniors. The innovative peel and stick license stands up to all weather conditions and is simply applied to the back of your dog rabies tag.

To register your dog online, please visit www.ChiCityClerk.com. Dog registration can also be completed at the City Clerk's Office in City Hall, 121 N. LaSalle St., Rm. 107, or at one of the Satellite Offices at 5674 S. Archer Ave. or 5430 W. Gale St. For additional information, call the Office of the City Clerk at 312-744-DOGS (3647).
